Part XIV - Supplemental Financial Information

During the year ended June 30, 2011 management received notification from the Internal Revenue Service and the State of California that payroll tax deposits had not been received in the last quarter of 2009 and the first half of 2010. During this time, management transferred funds to its payroll service provider, who had authority to make such deposits with the respective agencies. Upon receiving notice of nonpayment of employment taxes, management determined the payroll service provider had filed for bankruptcy under the provisions of chapter 13 of the bankruptcy code. The bankruptcy court has classified the Organization as an unsecured general creditor. Unsecured general creditor status is placed behind dischargeable debts, amounts owed for taxes to government agencies, and legal fees to those involved in handling these proceedings. Management has been notified that they could, potentially, receive payments, if any, under a repayment plan, which remains to be confirmed, by the bankruptcy court, at the date of this audit report, October 1, 2011. For the year ended June 30, 2011 management recorded a loss of \$49,165, for unpaid payroll tax deposits \$43,751 and for related penalty and interest assessments \$5,414. Subsequently, management switched payroll service providers and now
