Founded in 1970, Sunnyvale Community Services (SCS) is an independent, nonprofit emergency assistance agency. Our mission is to prevent homelessness and hunger for low-income families and seniors facing temporary crises. We provide financial aid, food, case management, referrals, and other support, helping to stabilize families and support their goals of self-sufficiency. Our assistance prevents homelessness, hunger, malnutrition, and untreated medical conditions.

From the Executive Director

At Sunnyvale Community Services, we believe that treating everyone who comes to our doors with dignity and compassion is just as important as the food and financial assistance we can offer.

When a mother sits in our lobby with fear in her eyes, the SCS staff members know to gently ask if she has reason to fear for her safety or her children’s well-being. When a veteran tells us he’s surviving on the street and just needs a warm jacket, we ask him to share his story and gain his trust. When a workingman has walked a ½ mile from the nearest bus stop in worn-out shoes, we can offer a gift card for shoes so he can keep walking and working at his job. And, when a volunteer brings in a bag of food saying that they are giving back because once they needed help, we are looking in the mirror of our generous community.

Since 1970, Sunnyvale Community Services has been the place to come to when our neighbors are in need. Thanks to support from our local community, Sunnyvale Community Services has never turned away an eligible person for lack of funds or food. Our roots go deep, and with continued community support, we’ve been able to serve those less fortunate amidst the successes and challenges of living in the Bay Area.

We are grateful for the thousands of volunteers and donors who made it possible to serve 8,300 of our neighbors last year. Sunnyvale truly is the “heart” of Silicon Valley.

**CARF 3-year Accreditation**

The Commission on Accreditation of Rehabilitation Facilities

“CARF accreditation signals a service provider’s commitment to continually improving services, encouraging feedback, and serving the community... Providers that meet our standards have demonstrated their commitment to being among the best available.”
1. Our annual audits and tax returns are posted on our website: www.svcommunityservices.org.

2. Our auditor, Boman Accounting Group, Inc., issued a “clean” Unmodified Opinion with no findings on our FY 2016-17 financial audit, meaning that the financial statements fairly present the financial position of Sunnyvale Community Services, in conformity with generally accepted accounting principles.

3. Our total change in net assets for the FY 2016-17 = <$174,513> after depreciation and amortization expenses of $170,862.

4. Our Board of Directors has designated emergency reserves of $708,530 (shown on our Statement of Financial Position/Balance Sheet) so that our agency is prepared for future needs and emergencies.

5. Our auditor calculates our total administration and overhead (management, general, and fundraising costs) at 10.85%, very low for nonprofits, especially local organizations with fewer cost centers. The accepted nonprofit standard for total overhead is 25% or lower.

6. In-Kind Donations include food, holiday gifts, household items, school supplies, and other basic necessities. Our largest in-kind donor is Second Harvest Food Bank. We are one of Second Harvest Food Bank’s seven largest “transformer” partner agencies across Santa Clara & San Mateo Counties.
