Report on the Financial Statements

We have audited the accompanying financial statements of Sunnyvale Community Services (a California nonprofit public benefit corporation), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sunnyvale Community Services, as of June 30, 2018 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Sunnyvale Community Services 2017 financial statements, and our report dated October 12, 2017, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 28, 2018, on our consideration of Sunnyvale Community Service's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sunnyvale Community Service's internal control over financial reporting and compliance.

SUNNYVALE COMMUNITY SERVICES
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Sunnyvale Community Services (Organization) is a California nonprofit public benefit corporation founded in 1970. Sunnyvale Community Services is a community organization that administers and coordinates essential human services to promote and create independence and self-sufficiency for low income individuals, families, seniors and disabled persons residing within the city of Sunnyvale, California and surrounding areas of Sunnyvale.

1. Nature of Activities

Founded in 1970, Sunnyvale Community Services (SCS) is an independent nonprofit agency. SCS is designated as the Emergency Assistance Network (EAN) agency for all zip codes in the city of Sunnyvale, along with the Alviso neighborhood of San Jose (zip code 95002). SCS also assists homeless individuals throughout Santa Clara County.

The mission of SCS is to prevent homelessness and hunger in local community. Its assistance addresses the critical needs of the most vulnerable in Silicon Valley. The vision of SCS is a community where everyone has a home with food on their table. SCS's ultimate goal is to end homelessness and hunger in our local community.

SCS believes that early intervention is the most effective way to prevent homelessness and hunger. It is done by:

- Stabilizing families
- Connecting people to benefits and services
- Building skills to increase resiliency
- Advocating for policies to improve lives

The organization provides financial assistance, food aid, case management, referrals, and other services at no charge to clients. The organization's clients are the homeless, working poor, and seniors or disabled persons living on fixed incomes. The organization serves all ethnic, racial, language, age, and abilities groups.

Nothing is more basic than the need for food, shelter, and health care. SCS provides financial aid, food, and other in-kind assistance to low-income families and seniors walking a financial tightrope, helping our neighbors to keep their balance when an unexpected emergency strikes: job loss, reduced hours, uncovered or unaffordable medical expenses. The organization's assistance prevents homelessness, hunger, malnutrition, and untreated medical conditions. Keeping families housed with food on their tables and access to medical care is more cost effective, both in terms of dollars and human lives, than dealing with later problems with more expensive solutions.

SCS assisted 8,750 unduplicated individuals in fiscal year 2017-18, which was an increase of 5% over the prior year. The increase was attributed to expanded outreach, as well as a growing need caused by the soaring costs of living and growing income divide in Silicon Valley. Based on historical trends in food distributions and financial aid, SCS forecasts that families and seniors will come more frequently for food each month,

and the need for more than one-time financial assistance and case management will continue. A growing number of people served are homeless.

The Community's Safety Net: The organization operates a food distribution center at its location in Sunnyvale. Food is supplied primarily by Second Harvest Food Bank, local grocery stores, community groups, and individuals. SCS is one of the largest seven "transformer" partners of Second Harvest Food Bank. Supplemental food, including proteins such as shelf-stable milk and meats, are funded by cash donations. The organization engages over 2,500 volunteers, enabling SCS to have deep connections with the community and to keep costs low. The organization is well known for its innovation and efficiency, distributing over three million pounds of nutritious food and fresh produce annually. SCS accepts donations of household and emergency items that are passed through to clients residing in the community.

The organization spent over \$1,000,000 in financial aid in fiscal year 2017-18 (\$677,069 in direct payments to landlords/vendors, \$189,781 to purchase food, and \$209,374 for personal and household items and holiday gifts for our clients). The average amount of rental assistance per family has increased to over \$1,900 due to rising rents and overall high cost of living in Silicon Valley. Financial assistance included payments for rent, rental deposits, utilities, medical, and other emergency bills.

Prudent and sustained growth: As a community-based nonprofit, the organization strives to have diversified funding sources, and enjoys growing support from individual, corporate, and foundation donors. SCS prudently adds resources based on sustained funding commitments. Over the last seven years SCS has piloted nutrition activities and added comprehensive case management for individuals and families who are homeless or at risk of homelessness. Funding for pilot projects and case management comes from corporations and foundations as well as long-term government contracts.

SCS educates and advocates on issues tied to the agency's mission to prevent homelessness and hunger. The SCS leadership team frequently speaks to business, community, and public sector audiences on the needs and trends affecting the most needy in our local community.

The organization owns the building at its sole location in Sunnyvale. The agency has a mortgage from the City of Sunnyvale, with a one-time principal payment of \$400,000 due in 2038. In 2014, SCS requested forgiveness of all past and future interest on the loan, and the request was granted, in recognition of the organization's unique role as the emergency assistance agency for the most needy in the community.

Since 2011, SCS has collaborated on nutrition programs with El Camino Healthcare District, Palo Alto Medical Foundation, and Kaiser Permanente to support healthy nutrition and access to health care. As part of the Coalition Against Predatory Payday Lending, SCS piloted financial education and savings programs to help clients become self-sufficient.

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In 2012, the City of Sunnyvale invited SCS to launch a new partnership with Downtown Streets Team to assist homeless individuals gain employment and housing.

The organization solicits funding for ongoing needs. In fiscal year 2017-18, SCS received several grants at the end of the fiscal year for program costs in the following fiscal year. Two years prior, the organization was also awarded a three-year grant of \$150,000 each year, which was reported as one-time income in fiscal year 2015-16. The Board of Directors and staff of SCS have reserved these funds for future program costs.

As part of the Emergency Assistance Network (EAN), SCS was awarded contracts in 2017-18 for prevention of homelessness, including a two-year contract beginning in 2017-18 to pilot a Homelessness Prevention System (HPS) through private and public sector funding sources.

Preparing for the Future:

In light of the continued growth in the number of people served and the intensity of need, SCS added staff in 2017-18 to focus on annual fundraising and to build support for potential new capital needs. Our strong reputation and goodwill in the local community will help ensure that facilities and services are available to help the most vulnerable in years to come.

2018 Awards and Recognition

4-Star Charity Navigator Agency: For the seventh year in a row, Charity Navigator, the nation's largest and most-utilized evaluator of charities, awarded SCS the highest "4-star" ranking in 2018, in recognition of the organization's sound fiscal management and commitment to accountability and transparency.

Platinum-level GuideStar Exchange: The organization is now a GuideStar Exchange participant at the highest level (Platinum), demonstrating its commitment to transparency.

Comprehensive Emergency Assistance

The organization's comprehensive emergency assistance is year-round. At SCS, staff see clients quickly and assess their needs, respond within 24-48 hours when a client is facing eviction, and treat client emergencies effectively. Management reviews all documents necessary to verify a client's eligibility and emergency, such as proof of income and dates of birth. All eligible clients can apply for the following services:

Financial Assistance, including financial aid for rent, rental deposits, utility bills, and other family emergency bills. All payments are made directly to landlords/vendors. Families asking for financial aid complete a three-month budget and receive budget counseling to help them stretch their finances further. All information is verified by the caseworker. Financial aid recipients are also offered emergency food assistance and automatically enrolled in our weekly produce and monthly food distributions and other in-kind services.

Food and In-Kind Assistance, providing up to six distributions of nutritious food and produce per family each month, helping them to afford other necessities. For a family of four, these food distributions are valued at \$462 per month.

Food distributions include:

- Daily emergency food
- Weekly “Produce Mondays” to over 950 families each week
- Monthly food distributions for families and seniors
- Pantry Days, giving families a choice of days to “shop” once a month for additional food and household items
- School Weekend Food distributions at four Title I low-income schools in Sunnyvale, giving 400 families food for the weekend
- Kids’ Summer Food, giving extra food to 1,800 children when schools are closed, along with filled backpacks and \$40 shoe gift cards for every child
- “Challenge Diabetes” program in partnership with El Camino Healthcare District, offering free diabetes screening and monthly food as part of a 10-month nutrition and education program for 150 low-income individuals
- Community Holiday Center, giving people the dignity of selecting a two-week supply of food, new gifts for infants through teens, and a household gift card for each family
- Other in-kind services including bus passes, gas vouchers, school backpacks and gift cards for shoes, groceries, and basic necessities

Intensive Case Management, for At-Risk Populations, including:

- Families and Seniors Case Management offering 3-12 months of in-depth support to secure benefits, housing, and other assistance to achieve self-sufficiency.
- Housing Case Management, giving financial coaching and housing search support to help renters secure and retain housing, and support for landlords who rent to low-income residents.
- Work First Sunnyvale Program, a partnership with Downtown Streets Team, helping 50 homeless individuals each year through job training and access to housing opportunities.

2. Basis of Accounting

The accompanying financial statements for the Organization have been prepared on the accrual basis of accounting.

SUNNYVALE COMMUNITY SERVICES
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Basis of Presentation

The Organization follows standards of accounting and financial reporting for voluntary health and welfare organizations. The Organization reports its financial position and operating activities in three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets include those assets which are not subject to donor-imposed stipulations and net assets over which the Board of Directors has discretionary control in carrying out the operations.

Temporarily restricted net assets include those assets which are subject to donor-imposed stipulations which may or will be met either by actions of the Organization and/or by the passage of time, and for which the applicable restriction was not met as of the end of the current reporting period.

Permanently restricted net assets include those assets which are subject to a non-expiring donor restriction, such as endowments. There are currently no permanently restricted net assets.

4. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of support revenue and expenses during the period. Accordingly, actual results could differ from those estimates.

5. Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments and investments with a maturity of three months or less, and exclude donor restricted receipts and amounts designated for long-term purposes. The Organization is required to hold the San Francisco Chronicle's "Season of Sharing Fund" in a separate bank account. At June 30, 2018 and 2017, the amount set aside was \$475,588 and \$354,680 respectively. The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. Management believes it is not exposed to significant risk on its cash accounts.

SUNNYVALE COMMUNITY SERVICES
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Contribution and Grant Receivable

The Organization considers all accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is considered necessary. The Organization does discount long term grants awards and grants receivable equal to the average US Treasury market rate of two percent and adding one percent for credit risk and valuation risk.

7. Inventory

Inventory consists of food, household items, school supplies, gift cards and shoe vouchers. Inventory is valued based on actual costs when purchased or, if donated, value is based on the following: food inventory is measured using the USDA suggested price per pound; household items and school supplies are based on donor determination; gift cards and shoe vouchers are based on face value. The first-in, first-out method is used for tracking inventory.

8. Property and Equipment

Property and equipment are recorded at cost or estimated fair value for donated items. Equipment purchases over \$5,000 are capitalized. The cost of repairs and maintenance which do not improve or extend the lives of the respective assets are expensed currently. Depreciation is computed using the straight-line method based on the estimated useful lives of the assets which range from 5 to 39 years. Depreciation is charged to the activity benefiting from the use of the property or equipment.

9. Accrued Vacation

Accrued vacation represents vacation earned but not taken as of June 30, 2018 and 2017 and is included in "accrued compensation" in the statement of financial position. The accrued vacation balances as of June 30, 2018 and 2017 were \$70,620 and \$68,700, respectively.

10. Revenue Recognition

The Organization recognizes support and revenue on the accrual basis of accounting. Revenue from grants which have been classified as "exchange transactions" and program fees are recognized as revenue in the period in which the service is provided.

SUNNYVALE COMMUNITY SERVICES
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

11. Contributions

Contributions are recognized when the donor makes a promise to the Organization that is, in substance, unconditional. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

12. Contributions In-Kind

The Organization records donated equipment and other donated goods at their estimated fair value as of the date of the donation. Contributed services, which require a specialized skill and which the Organization would have paid for if not donated, are recorded at the estimated fair value at the time the services are rendered. The Organization also receives donated services that do not require specific expertise but which nonetheless are central to the Organization's operations. In accordance with generally accepted accounting standards the value of these services is not reflected in the financial statements.

13. Expense Allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Indirect functional expenses are allocated to program and supporting services based on an analysis of personnel time and space utilized.

14. Income Taxes

Sunnyvale Community Services is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and state income taxes under Section 23701(d) of the California Revenue Taxation Code. Accordingly, no provision for income taxes has been made in the accompanying statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a)(1) of the Internal Revenue Code.

SUNNYVALE COMMUNITY SERVICES
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Organization in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination.

The Organization's federal returns for the years ended June 30, 2015 through June 30, 2017 could be subject to examination by federal taxing authorities, generally for three years after they are filed. The Organization's state returns for the years ended June 30, 2014 through June 30, 2017 could be subject to examination by state taxing authorities, generally for four years after they are filed.

15. Advertising

The Organization's policy is to expense advertising costs as the costs are incurred. Advertising expenses for the year ended June 30, 2018 was \$160.

16. Subsequent Events

Management of the Organization has evaluated events and transactions subsequent to June 30, 2018 for potential recognition or disclosure in the financial statements. The Organization did not have subsequent events that required recognition of disclosure in the financial statements for the fiscal year ended June 30, 2018. Subsequent events have been evaluated through November 28, 2018, the date the financial statements became available to be issued.

17. Fair Value Measurements

Fair value is defined as “the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.” Accounting standards set a framework for measuring fair value using a three tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1: Quoted prices in active markets for identical securities.

Level 2: Inputs other than quoted prices for identical assets or liabilities that are observable in the marketplace. For example, Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, volatilities, loss severities, credit risks, and default rate).

SUNNYVALE COMMUNITY SERVICES
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS

NOTE A — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Level 3: Inputs that are not observable in the market and reflect the Organization's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

NOTE B — INVESTMENTS

The Organization maintains an investment account at Morgan Stanley Smith Barney, which consists of equity securities of various companies. The securities are adjusted to fair market value as of the close of the fiscal year and the difference in market value from one year to the next is recorded as unrealized gain or loss in the statement of activities. These assets are considered Level 1 assets.

The Organization also maintains a certificates of deposit account at Morgan Stanley Smith Barney. These assets are considered Level 2 assets.

NOTE C — FAIR VALUE MEASUREMENTS

The table below presents the assets measured at fair value at June 30, 2018 and 2017:

Depreciation expense for the year ended June 30, 2018 and 2017 was \$146,002 and \$170,862, respectively.

NOTE F — AGENCY TRANSACTIONS REFUNDABLE

The Organization serves as Santa Clara County's fiscal agent for the San Francisco Chronicle's Season of Sharing Fund. These funds are maintained in a separate custodial account and are held for use in accordance with the fiscal agent agreement. These funds are partly for the Organization's emergency services, which are recorded as temporarily restricted until distributed, and partly for another organization's emergency assistance, which are recorded as agency refundable until distributed. At June 30, 2018 and 2017, the agency refundable amount was \$405,540 and \$219,829, respectively.

NOTE G — NOTE PAYABLE

Note payable at June 30, 2018 and 2017 is reported as follows:

City of Sunnyvale

City of Sunnyvale funds of \$400,000 with a maturity date of April, 2038 bearing 0% interest. The principal outstanding balance as of June 30, 2018 and 2017 was \$400,000. The loan is secured by the real property located at 725 Kifer Road, Sunnyvale, CA 94086.

The loan contains a restriction requiring the building to be used for the purposes of providing emergency assistance; otherwise (without pre-approval from the City of Sunnyvale) the loan will default. During the year ended June 30, 2015, the City of Sunnyvale Council voted to terminate the accrued interest payable; as such, the Organization recognizes, annually, an in-kind interest donation of \$12,000.

NOTES TO FINANCIAL STATEMENTS

NOTE J — CONTINGENT LIABILITIES

Conditions contained within the various contracts awarded to the Organization are subject to the funding agencies' criteria under which expenditures may be charged against and are subject to audit under such criteria. Occasionally, such audits may determine certain costs incurred against the grants may not comply with the established criteria governing them. In such cases, the Organization could be held responsible for repayments to the funding agency or be subject to reductions of future funding in the amount of such costs. Management does not anticipate any material questioned costs for the contracts and grants administered during the period.

NOTE K — DONATED SERVICES AND MATERIALS

1. The Organization received donated services from a variety of unpaid volunteers. The value of this contributed time is not reflected in the accompanying financial statements since the services do not require specialized skills. During the year ended June 30, 2018, these volunteers donated approximately 37,259 hours with an estimated value of \$919,925. This value was computed using an hourly rate of \$24.69. This amount is based upon the average hourly earnings of volunteer time as determined by the Independent Sector.
2. The Organization also received donated services and material which were recorded at market value as follows:

	2018
Food	\$ 2,921,176

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE A – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal grant activity of Sunnyvale Community Services under programs of the federal government for the year ended June 30, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.C. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Sunnyvale Community Services, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Sunnyvale Community Services. Pass through entity identifying numbers are presented where available.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance for nonprofit organizations, wherein certain types of expenditures are not allowable or are limited as in reimbursement.

NOTE C – INDIRECT COST RATE

Sunnyvale Community Services has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Sunnyvale Community Services
(A California Nonprofit Public Benefit Corporation)
Sunnyvale, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Sunnyvale Community Services (a California Nonprofit Public Benefit Corporation), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 28, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Sunnyvale Community Services' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Sunnyvale Community Services' internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Sunnyvale Community Services' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of Sunnyvale Community Services in a separate letter dated November 28, 2018.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sunnyvale Community Services' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Sunnyvale Community Services
(A California Nonprofit Public Benefit Corporation)
Sunnyvale, California

Report on Compliance for Each Major Federal Program

We have audited Sunnyvale Community Services' (A California Nonprofit Public Benefit Corporation) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Sunnyvale Community Services' major federal programs for the year ended June 30, 2018. Sunnyvale Community Services' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Sunnyvale Community Services' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Sunnyvale Community Services' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Sunnyvale Community Services' compliance.

Opinion on Each Major Federal Program

In our opinion, Sunnyvale Community Services complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

Report on Internal Control over Compliance

Management of Sunnyvale Community Services is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Sunnyvale Community Services' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Sunnyvale Community Services' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
