@ Sunnyvale Community Services | 725 Kifer Road

Join Sunnyvale Community Services and PACT: People Acting in Community Together to learn how you can become a rapid responder to protect our community! The Rapid Response Network aims to expand the community's capacity to monitor and document ICE operations if Immigration Customs Enforcement (ICE) comes to your work, home or a family member is detained.

We need your help to engage and train many more community volunteers across Santa Clara County! Please invite others to attend to help us build the Rapid Response Network. We need more volunteers in Sunnyvale! *Light refreshments and snacks will be provided.*

Please RSVP. Contact **Janette Brambila**, Community Navigator: **408.738.4321 x212** or jbrambila@svcommunityservices.org.
