

SUNNYVALE COMMUNITY SERVICES AUXILIARY MEMBERSHIP

WHO ARE WE?

The Auxiliary is a volunteer group composed of crafters and others who are committed to supporting the programs of Sunnyvale Community Services (SCS). We host craft and bake sales with 100% of the proceeds going directly to SCS programs. Our major fundraiser is an annual Fall Holiday Craft Fair and a Spring Craft Fair. We strive to offer a variety of items with a range of prices so shoppers can find something that fits their budget. Some examples of sale items: seasonal decorative pieces, quilts and functional sewn, knitted, and crocheted items, fused glass, turned wood items, greeting cards, jewelry, plus baked goods, and jams.

WHO MAKES THE ITEMS WE SELL?

Members dedicate time to make a variety of handcrafted items, either at home or during group workshops. Some of the materials are provided using Auxiliary funds but many members donate their own materials. Occasionally, community crafters donate to our inventory. Members and friends donate homemade baked goods, jams, and honey.
